### 1,500 Dozen Women's Swiss Handkerchiefs, 12½c

"Seconds" of 19c, 25c and 39c Qualities

The entire lot consists of the most beautiful Swiss Embroidered Handkerchiefs, in hundreds of dainty styles, including scalloped and embroidered hemstitched designs.

They are termed "seconds" because of slight imperfections discovered by the sharp eye of the factory inspectors. These so-called imperfections are nothing more serious than a dropped stitch, broken thread or tiny oil spot dropped from the machinery. It will require a microscopic examination to detect them.

Choice tomorrow of regular 19c, 25c, and 39c Handkerchiefs at 12½c.
